

TC	Audio Transcript	Visual Description
00:01	<p>Carter was sick. His breathing was very laboured...</p> <p>Something told me that I should take him to get checked out.</p>	<p>Logo: FreeStyle Libre 2 FLASH GLUCOSE MONITORING SYSTEM Logo</p> <p>Visuals: Two boys (Carter and Tucker) are walking across a field, the film shifts to the Mother (Melissa)</p> <p>On-screen titles: Real people with diabetes. Real FreeStyle Libre stories.</p> <p>Disclaimer: The FreeStyle Libre 2 flash glucose monitoring system is indicated for measuring interstitial fluid glucose levels in people aged 4 years and older with diabetes mellitus. Always read and follow the label/insert.</p>
00:07	<p>He was rushed straight into a room...</p> <p>They made the decision to send him to Calgary by air ambulance.</p>	<p>Visuals: Carter and Tucker are playing in trees</p> <p>Disclaimer: The views expressed are not intended to be used for medical treatment or as a substitute for professional medical advice. Please consult with your physician or qualified health provider regarding your condition and appropriate medical treatment. Individual symptoms, situations and circumstances may vary.</p>
00:13	<p>You are not allowed to go with them, so you send your 15-month old off, hoping that when you get there, your child is going to be alive.</p>	<p>Visuals: Kids playing outside, then shifts to Melissa talking</p> <p>Disclaimer: The FreeStyle Libre 2 flash glucose monitoring system is indicated for measuring interstitial fluid glucose levels in people aged 4 years and older with diabetes mellitus. Always read and follow the label/insert.</p>
00:21	<p>We arrived just after they did, asked the doctor 'What is going on?'</p> <p>And she says 'Yeah, he has type 1 diabetes'</p>	<p>Visuals: Carter and Tucker play in trees</p>
00:28	<p>I remember thinking why our family and why my child and this isn't fair.</p> <p>But, it is my child, so let's pull up our bootstraps and do it.</p>	<p>Visuals: Carter and Tucker play in trees. Melissa continues speaking. Family photos are shown on screen</p>

00:38	<p>We were finger poking for glucose checks.</p> <p>The tops of his fingers were callused, some of them were black.</p> <p>It was nerve wracking to see his fingers and wonder at age 26 or 36 what his fingers are going to look like.</p>	<p>Visuals: Carter in room, looking at fishtank</p> <p>Disclaimer: Finger pricks are required if readings do not match symptoms or expectations.</p>
00:51	<p>When you have one child with diabetes, it does increase the risk for a second child.</p> <p>Thankfully, Tucker took this in stride and was so excited to be just like his big brother...</p> <p>And so that was very helpful but it is, it's double diabetes.</p>	<p>Visuals: Carter and Tucker playing in trees. Melissa speaks on screen</p>
01:05	<p>My biggest fear was that this was going to take away my children's childhood.</p>	<p>Visuals: Carter on scooter and Tucker on bike, racing along then we see the boys at the skate park</p>
01:11	<p>When we heard about the FreeStyle Libre 2, I was very excited about this crazy new tech.</p> <p>Our primary reason for trying it was sports.</p>	<p>Visuals: Boys are at the skate park, scanning the sensors on their arms, viewing readings Then we see the boys eating snacks. Film cuts to Melissa speaking</p> <p>Disclaimer: The FreeStyle Libre 2 app and the FreeStyle Libre 2 reader have similar but not identical features. Finger pricks are required if readings do not match symptoms or expectations. The FreeStyle Libre 2 sensor communicates with the FreeStyle Libre 2 reader that started it or the FreeStyle Libre 2 app that started it. The FreeStyle Libre 2 app is only compatible with certain mobile devices and operating systems. Please check the website for more information about device compatibility before using the app. Use of FreeStyle Libre 2 requires registration with LibreView.</p>
01:20	<p>Carter's almost 13... he wants to go to the skatepark without his mom trailing behind and it allows him to have that independence while still giving me that peace of mind.</p>	<p>Visuals: Carter scoots down a ramp, Tucker bikes down a ramp, then we see Carter again scooting down a ramp</p>

01:28	<p>Because his alarms have gone off there, but still come to my phone through the LibreLinkUp app.</p>	<p>Visuals: Close-up of Carter’s feet on scooter We see Melissa in the kitchen, checking phone Close-up of LibreLinkUp app</p> <p>Disclaimer: The LibreLinkUp app is only compatible with certain mobile device and operating systems. Please check <a href="http://www.librelinkup.com">www.librelinkup.com</a> for more information about device compatibility before using the app. Use of LibreLinkUp and FreeStyle LibreLink requires registration with LibreView. The LibreLinkUp mobile app is not intended to be a primary glucose monitor: home users must consult their primary device(s) and consult a healthcare professional before making any medical interpretation and therapy adjustments from the information provided by the app.</p>
01:34	<p>It’s absolutely helped me to get more sleep...</p> <p>We checked them in the night very often so trying to flash the light on and get their finger clean and do all of that at night, just the logistics of that is annoying...</p> <p>It’s nice to not have to do that anymore.</p>	<p>Visuals: Melissa speaks on screen</p> <p>Boys are brushing teeth in front of bathroom mirror. Then we see the boys playing on their beds before bedtime. Tucker looks up at Carter playing guitar</p> <p>Disclaimer: Finger pricks are required if readings do not match symptoms or expectations.</p>
01:47	<p>I do very adamantly tell everybody that I know...</p> <p>The FreeStyle Libre 2 is a game-changer.</p>	<p>Visuals: Boys laying in bed Melissa speaks on screen</p>
01:54	<p>It’s allowing your child to live the most amazing life, with type 1 diabetes as a sidenote.</p>	<p>Visuals: The boys play outside, Carter climbs a tree, Tucker sits on a swing, swinging back and forth</p> <p>The boys stand together with their arms around each other’s shoulder, they are both smiling</p>

02:02		<p>Visuals: Image of FreeStyle Libre app shown on mobile phone. Image of Product logos ABBOTT, GOOGLE PLAY and APPLE APP STORE</p> <p>On-screen titles: FREE TO PLAY WITHOUT LANCETS*. Now with optional glucose alarms. Talk to your healthcare professional.</p> <p>Disclaimer and footnote: The FreeStyle Libre 2 app is only compatible with certain mobile devices and operating systems. Please check the website for more information about device compatibility before using the app.</p> <p>* Scanning the sensor does not require lancets.</p> <p>Legal: © 2021 Abbott.
