

TC	Audio Transcript	Visual Descriptions
00:01	<p>Mother VO : Amine was my second child.</p>	<p>Visuals: Open on Amine walking in the street with his friend.</p> <p>Logo: Freestyle Libre 2 FLASH GLUCOSE MONITORING SYSTEM</p> <p>On-screen titles: Real people with diabetes. Real FreeStyle Libre stories.</p> <p>Disclaimer: The FreeStyle Libre 2 flash glucose monitoring system is indicated for measuring interstitial fluid glucose levels in people aged 4 years and older with diabetes mellitus. Always read and follow the label/insert.</p>
00:03	<p>Mother : Really, he was an angel.</p>	<p>Visuals: Cut to Amine's mother talking to the camera.</p> <p>Disclaimer: The views expressed are not intended to be used for medical treatment or as a substitute for professional medical advice. Please consult with your physician or qualified health provider regarding your condition and appropriate medical treatment. Individual symptoms, situations and circumstances may vary.</p>
00:05	<p>Mother VO : He was in grade four, if I'm not mistaken.</p> <p>He came home and he was tired.</p> <p>As time went by, I noticed that he was even more tired. He was losing weight, a lot of weight.</p> <p>I had the machine and did a test.</p> <p>I saw that his glucose level was very high.</p> <p>I called 9-1-1 and they told me that we had to take him back to the hospital right away.</p> <p>The verdict was that Amine had diabetes.</p>	<p>Visuals: Cut to Amine walking in the street with his friend.</p> <p>Visuals: Cut on Amine opening the gym's door and walking in the gym.</p> <p>Visuals: Cut to a montage of Amine doing judo exercises in the gym with his friends.</p>

00:31	<p>Mother :</p> <p>It's very difficult to see your child sick.</p>	<p>Visuals: Cut to Amine's mother talking to the camera.</p>
00:34	<p>Mother VO :</p> <p>I was lost in it all. I had never heard of a child with diabetes. I didn't know what to do.</p> <p>At the start, he didn't realize that he had something to look forward to.</p> <p>Amine loves eating. But we started telling him what to eat and that he had to be careful.</p>	<p>Visuals: Cut to a montage of Amine doing judo exercises in the gym with his friends.</p>
00:48	<p>Mother :</p> <p>Then, he began to revolt.</p>	<p>Visuals: Cut to Amine's mother talking to the camera.</p>
00:51	<p>Mother VO :</p> <p>Imagine a child, when we poke him up to eight times a day.</p> <p>He always had bruises on his fingers.</p>	<p>Visuals: Cut to a montage of Amine doing judo exercises in the gym with his friends.</p> <p>Disclaimer: Finger pricks are required if readings do not match symptoms or expectations.</p>
00:58	<p>Mother VO :</p> <p>It was hell for him and for us too.</p>	<p>Visuals: Cut to Amine's mother talking to the camera.</p>
01:01	<p>Mother VO :</p> <p>Judo was the only way he found to express his negativity about the disease.</p> <p>His coach loves him. I think it's because of him that Amine accepted his illness.</p>	<p>Visuals: Cut to a montage of Amine doing judo exercises in the gym with his coach.</p>
01:15	<p>Mother :</p> <p>It was from there that he became a champion.</p>	<p>Visuals: Cut to Amine's mother talking to the camera.</p>

01:18	<p>Mother VO : Now, he's the best in his category. That happened after his illness.</p> <p>But he still thought that he had been condemned to a life of finger pricking.</p>	<p>Visuals: Cut to a montage of Amine doing judo exercises in the gym with his friends.</p> <p>Disclaimer: Finger pricks are required if readings do not match symptoms or expectations.</p>
01:25	<p>Mother : The FreeStyle Libre 2 has completely changed his life.</p>	<p>Visuals: Cut to Amine's mother talking to the camera.</p>
01:29	<p>Mother VO : I think he has started to become more aware and take charge of himself.</p> <p>When I say "your glucose", it's easy. It's done like this...</p>	<p>Visuals: Cut to Amine picking up his phone a on a bench in the gym.</p> <p>Cut to a close-up of Amine holding up his phone against his arm, displaying the FreeStyle Libre 2 app.</p> <p>Cut to Amine putting his phone away and returning to do his judo exercises.</p> <p>Disclaimer: The FreeStyle Libre 2 app and the FreeStyle Libre 2 reader have similar but not identical features. Finger pricks are required if readings do not match symptoms or expectations. The FreeStyle Libre 2 sensor communicates with the FreeStyle Libre 2 reader that started it or the FreeStyle Libre 2 app that started it. The FreeStyle Libre 2 app is only compatible with certain mobile devices and operating systems. Please check the website for more information about device compatibility before using the app. Use of FreeStyle Libre 2 required registration with LibreView.</p>
01:37	<p>Mother VO : ... and hop, his glucose is there.</p>	<p>Visuals: Cut to Amine's mother talking to the camera.</p>

01:39	<p>Mother VO : He can scan several times a day, without hurting himself. It helps him to do this quickly and return to training quickly.</p>	<p>Visuals: Cut to Amine picking up his phone a on a bench in the gym and holding up his phone against his arm, displaying the FreeStyle Libre 2 app.</p> <p>Visual: Cut to a close-up of Amine’s phone as he looks at his results on the FreeStyle Libre 2 app, then cut to Amine continuing his judo exercises.</p> <p>Disclaimer: The FreeStyle Libre 2 app and the FreeStyle Libre 2 reader have similar but not identical features. Finger pricks are required if readings do not match symptoms or expectations. The FreeStyle Libre 2 sensor communicates with the FreeStyle Libre 2 reader that started it or the FreeStyle Libre 2 app that started it. The FreeStyle Libre 2 app is only compatible with certain mobile devices and operating systems. Please check the website for more information about device compatibility before using the app. Use of FreeStyle Libre 2 requires registration with LibreView.</p>
01:47	<p>Mother VO : To be able to watch him from afar, that's very important.</p> <p>There’s the school or the gym, where he does sports.</p> <p>I'm connected on my phone. There's an alarm that tells me when his glucose is too high or low. I think that's great.</p> <p>I have peace of mind.</p>	<p>Visuals: Cut to Amine and his mother in their kitchen. They are both looking at the FreeStyle Libre 2 app after Amine holds his phone up on his arm.</p> <p>Disclaimer: The LibreLinkUp app is only compatible with certain mobile device and operating systems. Please check www.librelinkup.com for more information about device compatibility before using the app. Use of LibreLinkUp and FreeStyle LibreLink requires registration with LibreView. The LibreLinkUp mobile app is not intended to be a primary glucose monitor: home users must consult their primary device(s) and consult a healthcare professional before making any medical interpretation and therapy adjustments from the information provided by the app.</p>
02:02	<p>Mother VO : He has diabetes and it won't stop him from living his life, doing what he wants, being a champion and being a winner in life, too.</p>	<p>Cut to Amine in his bedroom. He proudly shows his judo trophy to the camera.</p>

02:11		<p>Visuals: Image of FreeStyle Libre app shown on mobile phone. Image of Product logos ABBOTT, GOOGLE PLAY and APPLE APP STORE</p> <p>On-screen titles: FREE TO PLAY WITHOUT LANCETS*.
